

AREA PRESENTATION

The Triscell Equipped Area and Camper Parking Area is located in Sant'Alessio Siculo, a few minutes from Taormina, in the province of Messina. Our camping business is located in a strategic position that allows access to services such as groceries, bakeries, bars, pizzerias, tobacconists and public transport just a few steps away from us.

Here you will find the friendliness and hospitality typical of the Ionian Riviera!

We are located 58.5 kilometers from Catania and 39 km from Messina, to reach them by train the S.Alessio Siculo station is located only 1km from us, the S. Teresa di Riva station is 5.4 km away with the possibility to be accompanied and picked up upon request.

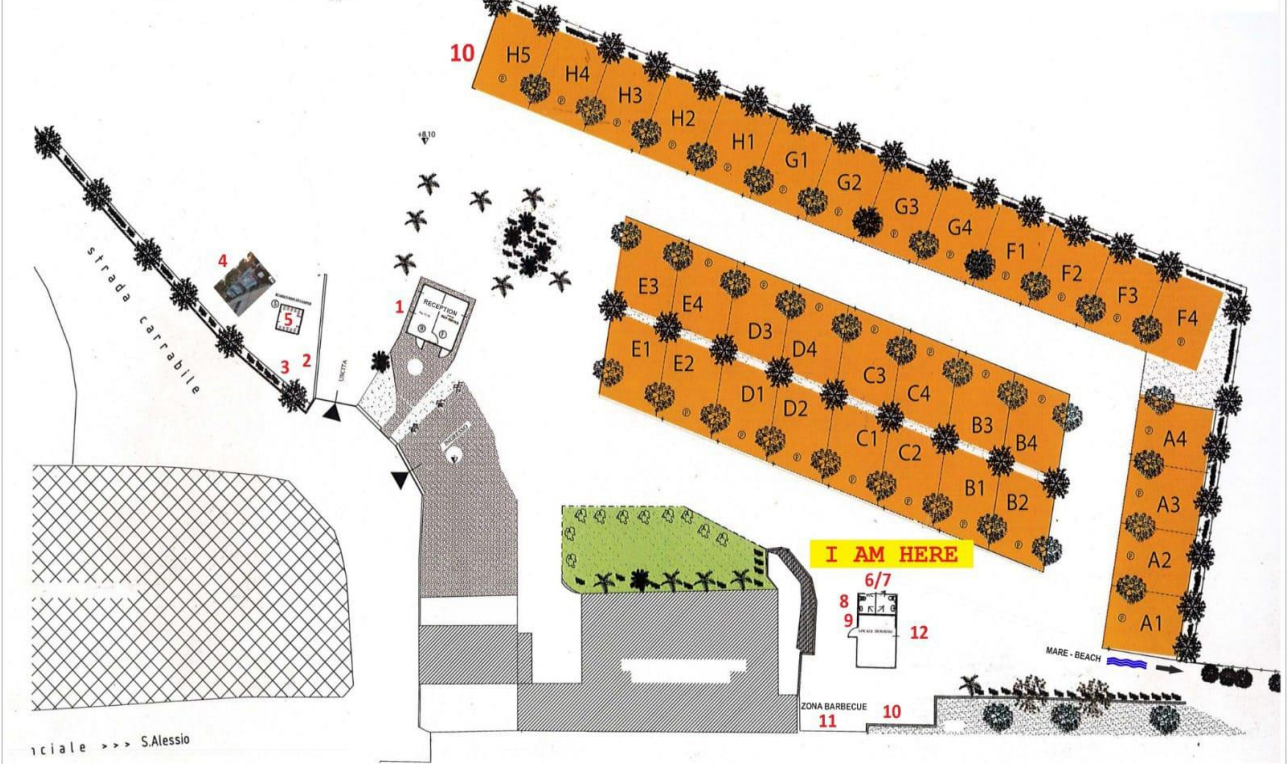

A few kilometers away you will find places not to be missed.

The privileged position of our Triscell equipped area, located in Sant'Alessio Siculo next to the splendid Ionian Sea, offers a valuable stopping point to visit the numerous historic centres, starting from the Val d'Agrò, with particular attention to the church of the S.S. Pietro e Paolo is located in the municipality of Casalvecchio, going through Savoca, considered one of the most beautiful villages in Italy and the filming location for the film "The Godfather" directed by director Francis Ford Coppola, to get to Taormina or the Alcantara River Gorges or in any of the splendid villages overlooking the Ionian Sea, and not to forget, the fantastic Etna! For those who do not know how to reach the desired places to visit, I will provide you with all the detailed information: bus timetables, car rental options, tourist guide with detailed cars and routes for each location.

I can offer you a round-trip escort service. Possibly agree with me first. I'll leave you my number: 3791520968.

I REMAIN AT YOUR DISPOSAL FOR ALL INFORMATION. Greetings from your captain Nino.
